*Every individual has a place to fill in the world and is important, in some respect, whether he chooses to be so or not.*

*Hawthorne*

*Look to this day!  
For it is life, the very life of life.  
In its brief course  
Lie all the verities and realities  
of your existence:  
the bliss of growth,  
the glory of action,  
the splendor of achievement;  
For yesterday is but a dream  
And tomorrow is only a vision,  
But today well lived makes every  
yesterday a dream of happiness  
And tomorrow a vision of hope.  
Look well, therefore, to this day!*

*Sanskrit*

*Most people ask for  
happiness on condition.  
Happiness can only be  
felt if you don't set any  
condition.*

*Rubinstein*

*You will do foolish  
things, but do them  
with enthusiasm.*

*Colette*

*Our life is not a mere fact;  
it is a movement, a tendency,  
a steady, ceaseless progress  
toward an unseen goal.  
To desire and strive to be of some service  
to the world, to aim at doing something  
which shall really increase the happiness  
and welfare and virtue of mankind —  
this is a choice which is possible  
for all of us; and surely  
it is a good haven to sail for.*

*van Dyke*

. . we look up in the skies  
today with a new awareness  
— knowing that ours may  
well be the last generation  
that thought itself alone.

*Arthur C. Clarke*
